
**INVESTINDUSTRIAL HAS BEEN RECOGNISED AS
THE BEST PRIVATE EQUITY FIRM IN ITALY IN 2016**

PRIVATE EQUITY INTERNATIONAL
AWARDS 2016

**Firm of the year
in Italy**

2nd March 2017 – Investindustrial has been recognised as the Best Private Equity Firm in Italy in the 2016 Private Equity International Awards.

This is the eighth time in the last twelve years that Investindustrial has been recognised as the winner in this category, underlining the dominant position the firm has built in Italy, in Southern Europe and as a leading European investment group overall.

Investindustrial is honoured that Private Equity International and thousands of voters from the industry have again acknowledged the success of the firm's industrially-driven and hands on approach to private equity investing in the European mid-market.

Founded in 1990 out of an industrial group, Investindustrial is a leading independent European mid-market investment firm with a regional focus on Southern Europe. Since inception the firm has raised fund capital of €5.6 billion and has invested in 53 quality companies. Investindustrial typically sources investments through proprietary networks and acts as an industrially-driven and active majority owner implementing internationalisations, build-ups and/or repositionings in collaboration with talented management teams. Investindustrial builds better, more sustainable businesses through long-term partnerships and by leveraging sector expertise, an approach resonating well with strategic buyers. Investindustrial has a stable and experienced team of 85 professionals that operates with local expertise and global presence from six offices across three continents and includes functional specialists. Certain companies of the Investindustrial group are authorised by, and subject to regulatory supervision of, the FCA in the United Kingdom and the CSSF in Luxembourg.
